Sophie has the school welfare meeting Thursday 11am. I'll go.  
You don't need to come.  
03 Sep 2025, 8:14am

Daniel H.  
I'd like to come actually. She's my daughter too. What's it about?

Emily H.  
It's about her anxiety. I've been managing this. Fine, come if you want but please don't make it about us.

No. The kids have plans and Max has soccer. You always do this last minute.

Can I swap this weekend to next? I have a client site visit Saturday that got moved.  
12 Sep 2025, 7:32am

Daniel H.  
It's 2 days notice and it's work. I'll take them to soccer, I always do when I have them.  
12 Sep 2025, 9:11am

Emily H.

I said no. Please keep this in the app.

Max used his reliever twice today after soccer, bit wheezy. Gave it as per the plan, he's fine now. Just so you know for tomorrow.

21 Sep 2025, 6:58pm

Emily H.

Thank you for telling me. Did you write the times down? I need them for Dr Cole.

21 Sep 2025, 7:22pm

Daniel H.

2:40pm and 4:15pm. Will bring the spacer back Sunday.

Reminder Wednesday dinner is 5–7:30. Please have them back by 7:30 not 8 like last week. Sophie was tired for school.

Daniel H.

Traffic was bad, it was 7:45. I texted you. Noted.

I've moved Sophie's counselling to Thursdays at Riverside. Just so you have it.

14 Oct 2025, 8:02am

Daniel H.

You moved it without asking me again. Who is the counsellor now? I asked for the details last month and never got them.

14 Oct 2025, 8:40am

Emily H.

It's the same practice. I'm her primary carer and I manage her appointments. I told you about counselling.

14 Oct 2025, 9:15am

Daniel H.

You mentioned counselling, you never gave me the provider or let me speak to them. That's not the same thing.

Kids had a great weekend. Sophie did a painting for you, she'll bring it. Max's reading is really coming along.

27 Oct 2025, 4:10pm

Emily H.

That's lovely, thank you. She's been happier this week. Can we keep changeovers calm please, last Friday was hard for her.

27 Oct 2025, 6:33pm

Daniel H.

Agreed. I don't want them upset either. Let's do school pickup changeovers where we can.

27 Oct 2025, 6:40pm

Emily H.

Ok. That works for Fridays.

Max is low on his preventer, only a few days left. Can you bring it to the Wednesday changeover or do you want me to get the script filled?

03 Nov 2025, 6:20am

Daniel H.

Texting your mobile too in case you don't see this, it's about his asthma meds.

03 Nov 2025, 6:21am

Emily H.

Please keep everything in the app. I'll bring it Wednesday. You did not need to text my phone.

03 Nov 2025, 7:55am

Daniel H.

It was about his medication and you hadn't replied. I'm not going to apologise for that.

Where are you, it's 3:40 and you're not at pickup. Sophie is waiting and worried.

14 Nov 2025, 3:40pm

Daniel H.

Stuck behind an accident on the bridge, 10 mins away. Tell her I'm coming, please don't tell her I'm 'late again'.

14 Nov 2025, 3:52pm

Emily H.

I won't say anything to her. Just get here.

Sophie said you had people over and there was drinking on your weekend. Who was there and were the kids up late?

22 Nov 2025, 9:10am

Daniel H.

My sister and two friends came for dinner. I had a couple of beers. Kids were in bed at 8:30. This is exactly what I mean about everything being turned into something.

22 Nov 2025, 11:48am

Emily H.

I'm allowed to ask. Sophie was anxious telling me about it.

22 Nov 2025, 12:30pm

Daniel H.

Or she's anxious because she feels like she's reporting back to you. Please stop questioning her about my house.

Can we sort out Christmas? I'd like the kids Christmas afternoon and Boxing Day as we discussed in mediation.

10 Dec 2025, 7:30pm

Emily H.

Christmas Day they're with me and my parents. You can have Boxing Day to the 28th. I'll send a list of what to pack.

10 Dec 2025, 8:15pm

Daniel H.

That's not what we agreed. I'm meant to have Christmas afternoon. Can you check your notes.

We never finalised that. Boxing Day to 28th is my offer. Let's not do this over the app, get the lawyers to confirm.

Dropped the kids back. Sophie's reading award certificate is in Max's bag, she's really proud. Happy to do Boxing Day handover at the park if that's calmer.

21 Dec 2025, 5:05pm

Emily H.

The park works. Thank you for a calm changeover today, it helps her. Merry Christmas to the kids from me.

21 Dec 2025, 6:20pm

You too. Tell them I love them.
